

Term Sheet for Three (3) Month Purchase of
SG3500 Superheat/Subcool Analyzer

Stargate International, Inc. , 10235 S Progress Way, Unit # 7, Parker, CO 80134 (Stargate) wishes to provide _____ (Purchaser) located at _____ (Address) an opportunity to purchase ____ SG3500(s) by credit card over a three (3) month period.

Purchaser wishes to purchase said SG3500(s) and agrees as follows;

1. Purchaser gives Stargate International, Inc. an irrevocable right to charge to its credit card (described below), three (3) equal amounts of \$133.00 for each SG3500 purchased under this Term Sheet. In addition, purchaser agrees to allow Stargate to add the cost of shipping to the first payment. Title to the SG3500(s) serial #(s) _____ remains with Stargate until the third and final payment is received. At that time, title transfers to Purchaser.
2. Purchaser understands that the Warranty card which is located in the SG3500 case must be filled out and returned to Stargate in order to activate the Warranty. It is further understood that the beginning date for the one (1) year Warranty, once it is activated, begins on the date the SG3500(s) are shipped. No Warranty is made or implied other than that which is contained on the Warranty card, located in the SG3500 case.
3. It is understood that a training video and user manual are included in the SG3500 case and a lack of training does not create a waiver of payment for any outstanding portion of the credit card charges.
4. It is further understood and agreed that any damage to the SG3500 from mishandling does not create a waiver of payment for any outstanding portion of the credit card charges.
5. Any dispute relating to this "Term Sheet" will be governed by the State of Colorado.
6. This document is the sole agreement between parties.
